### Welcome

Brothers and sisters in Christ, grace and peace be to you as we join in worship. Welcome!

Please fill out the perforated panel of this bulletin with all the information requested. If you are a guest—welcome! We hope you too will fill it out so we can correspond with you this week. Please put the slips into the offering plate.

**Worshipping Online?** - A known connectivity issue exists with our internet hardware when connecting to other devices (such as our streaming camera that transmits live worship to your home). Other customers experience similar issues. The manufacturer promises new firmware updates which they hope will resolve many disgruntled customers' problems. We hope to be able to stream again upon that release, but for now, the best online viewing may be experienced by waiting for edited versions of that day's worship to be uploaded to social media pages each Sunday afternoon. This will also impact the start time of our sermon talkbacks throughout Lent.

**Sermon Talkbacks move to 3:00 PM Sundays**—Due to the situation above, the most reliable way to bring online worshipers decent quality worship for the near term future will be to record, edit and upload that morning's worship each Sunday. Worship should be visible by 2PM each Sunday. Accordingly, sermon talkbacks will move to 3:00 PM on Sundays. Sorry for any inconvenience.

Join Ryan via Zoom to reflect on & discuss the weekly sermon topics throughout Lent.
