Observe A Holy Lent

Easter is almost as late as it can be this year so Lent begins the first Wednesday in March with an Ash Wednesday Service here at the church. With that service we begin our 6-week spiritual journey to Good Friday and to the surprises God prepares for us beyond that!

Lent is an important season for every church. For Calvert City UMC

it is the season in which we train our confirmands and prepare us all in fresh ways to follow Jesus. It is the season set aside to reconcile with friends and family who have been estranged. It is the season when many folks include a special spiritual discipline to enhance our faith life. In the Northern Hemisphere, the Spring days remind us of the power of new life as it springs up among us. At its heart Lent prepares us to experience again the sacrificial love of Jesus for us all most evident from the cross. How will you observe Lent this year? What will you include in your daily walk that clarifies our vision of all that God has done for us? **Please pray for our confirmands—Elizabeth Barrett, Mallory Beliles, Amelia Boone, Hadley Bynum, JC Wells, and Andrew Woods. Seek them out and encourage them on their faith journey.** Find a time for a regular family devotion with those closest to you—special times with family and friends can prove life changing. Check out the combined Sunday School class in the Fellowship Hall which is studying closely the 24 Hours that changed the world—Maundy Thursday night through Good Friday! However it happens, observe a holy Lent!

Let the holy conversations continue

Blessings

THIRD PLACE WORKDAY

Thursday, March 28th

Month: February

FAMILIES SERVED: 31 Families

TOTAL # OF PEOPLE: 68 People

February was back to a busy month for us. 30 Families has typically been our average during the winter months. We were able to share the Hunters for the Hungry Frozen Ground Deer Meat with our patrons this month and they were very grateful. We still have plenty more to give away.

As we begin 2019, we got a few new volunteers (YAY!!!!) We encourage anyone to come and visit with our patrons or just watch the process we have to distribute food. We have 4 basic jobs that are needed each month - interviewers, runners (ticket carrier), baggers and carry out. If you have been thinking about joining our Outreach Ministry the 3rd Monday of each month from 5pm - 6pm, then please let me, Bro Gregory Waldrop, or Jean Apple know and we can get you added to the rotation. Anyone who is maybe THINKING about it - I invite you to come and watch the simple process.

The food pantry will be open again on **Monday, March 18, 2019 from 5:00pm to 6:00pm.**

Below is the updated volunteer list – please use this to know when you work or who you can contact if you need a sub. Thanks again.

Deepest Sympathy

We express our deepest sympathy to the family and friends of Chris Beliles. Please continue to keep Erin, Carter, and Mallory in your prayers.

SAVE YOUR ALUMINUM CANS & SMART SHOPPERS STAMPS!!

Please continue to save your Food Giant Smart Shoppers stamps and place them in the glass jar in the Narthex. The church received \$50.00 from these stamps in February. Also keep saving the Best Choice UPC's and place them in the buckets located on the tables in the Narthex and Fellowship Hall. All money goes toward the Food Pantry.

Also, continue to recycle your aluminum cans! All money from recycling of the cans is also placed in the Food Pantry fund. Please deposit your cans in the large black garbage can in the Fellowship Hall (tagged Can Recycling) or place your bag next to the can.

Continue saving your pennies too! Jackson Boone is collecting them, please just place them in the jars on the table in the Narthex.

Administrative Council

The next Administrative Council meeting will be held on Sunday, March 17th @ 6:00pm.

All members, please make every effort to attend this important meeting.

Ash Wednesday Service
Wednesday, March 6th

Pancake meal at 5:30pm.
Please sign up for meal by calling the church office or on Facebook

Children's Ministry

We finished up our Winter Family Fun Events with our Indoor Swimming and Rock Climbing at the Paducah Athletic Club. It was a great time even though it was icy and freezing outside.

In TeamKID we have been discussing how we can do OUR part raising money for our Family Life Center. We learned even the largest tree in the whole world began as a seed so we are never too small to dream big and help out.

Midweek PUSH is on Wednesdays with meal at 5:30pm followed by classes for all ages at 6pm. Our elementary kid's program is called TeamKID. Mrs Denae & Mr Scott teach the preschool – 1st grade kiddos and Mr Michael teaches the 2nd – 5th grade kiddos.

If you want to go ahead and plan for Dayshore Camp July 1-3 at CCUMC. All the details will come later on, but this will allow you to pencil in the dates to your busy schedules.

United Methodist Mountain Mission Truck
Pick-Up / Sunday, March 10

The UMMM truck will be picking up donated items at the church on Sunday, March 10 (late afternoon). They have a new driver and we are the first church he stops at when he comes into the area, so the time has been switched to Sunday afternoons. Please have any donated items at the church by Sunday morning.

Please see church bulletin boards for the "Urgent Needs" list for Mountain Mission.

United Methodist Women

The United Methodist Women will be having our first meeting for 2019 on Thursday, March 14 at Noon in the Fellowship Hall.

On March 23, 1869, eight women gathered at Tremont Methodist Episcopal Church in Boston, Massachusetts, and organized the Woman's Foreign Missionary Society — what would later become United Methodist Women. Those women raised money to send a doctor, Clara Swain, and a teacher, Isabella Thoburn, to India as missionaries to serve the women of that nation.

Since then, for nearly 150 years, United Methodist Women has evolved to become the largest women's faith-based service and advocacy organization, underwriting programs that provide life-changing opportunities for women, children and youth.

I invited all who would like, to join us as we plan our schedule for this year and talk about the women who have been important in the life of Calvert City UMW and this 150 anniversary year for UMW as a whole.

New Study Series

Beginning March 10, 2019, we will begin a DVD Study Series "24 Hours That Changed The World". It is presented by Adam Hamilton, Pastor of Church of The Resurrection in Kansas City, MO.

This will be led by Jim Capps and Michael Boone in the Fellowship Hall each of the 7 Sunday's in lent.

There is a book and a daily (40 days) book of reflection that accompanied the series.

We would love to have folks that are not presently involved in a Sunday School as well as anyone else that is interested. We will need to order extra books, so let Jean, myself or Michael know. If possible, couples could share and that will help with cost of materials.

We look forward to sharing the story!

Grace/ Peace,
Jim Capps

Music Notes

I got my love of church music from my mother. When she was a kid she sung with her siblings in the "Aaron Trio" every Sunday morning on the local radio station. Some of my earliest memories come from her music at Faith United Methodist Church in Glasgow, Ky. Whether it was singing "He Touched Me" as a special or singing alto in the choir, my mother was always making music. When I was old enough, I began playing trumpet with the service and sang all the great hymns more times than I can count. And now, I'm blessed to get to do the same with you

We have begun preparing for Holy Week and a special combined Easter service. We want to involve as many people as we can for the music portion of the service. From the youngest children to the grandparents who bring them, we need you. You don't have to be a classically trained musician to join us, just possess a desire to worship God in a way only music can. The adult choir meets Wednesday nights at 7:00 beginning with the special music for Easter. You don't have to stay for the entire rehearsal, but you are welcome to stay and sing through some of your favorite hymns.

How in the world did we already get to March? The days are starting to get longer and we are dreaming of all the fun we will have together this summer.

We finished February with heavy hearts for our precious friends Carter and Mallory. We are holding them close in our hearts and in our prayers. We have been so proud of how the youth have circled them in friendship and love. We will say it again and again to anyone who will listen-this group of youth is unbelievable. They are caring and the friendships and devotion they have to each other is unmatched. We are blessed to be small part of it.

Blessings,
Derek and Lindsey

Major League Baseball has long been considered the “national pastime” of America. Many in our congregation root mightily for the St. Louis Cardinals and there are also a few Chicago Cubs and White Sox fans within the fellowship. Baseball has long reflected the make-up of our nation and a barometer of change. Did you know that two Methodists played an instrumental role in one of the biggest changes Major League Baseball ever experienced?

Wesley Branch Rickey was a team member of both the St. Louis Browns and New York Highlanders (later to be renamed the Yankees). He left the field for administration and served as general manager of the Browns, Cardinals, Brooklyn Dodgers, and Pittsburgh Pirates. Baseball had long been governed by a “gentleman’s agreement” that prohibited African-American players from being signed to contracts and a national Negro League existed apart from the majors. The first commissioner baseball commissioner, Kennesaw Mountain Landis was resolute in enforcing this prohibition. Following Commissioner Landis’ death, Rickey undertook a major change by signing University of Southern California star (and a Methodist) Jackie Robinson to a contract with the Dodgers’ top minor league team, the Montreal Royals. Rickey had the full support of Kentuckian Albert Benjamin (“Happy”) Chandler who had succeeded Landis.

Robinson was successful with the Royals and in 1947, he became the first African-American to play Major League Baseball when he debuted wearing number 42 with the Dodgers. Robinson went on to have a Hall of Fame career retiring following the 1956 season. His number has been retired throughout all of baseball in recognition of his efforts. A long list of successful African-American players have followed Robinson and it would be difficult to imagine baseball the last 72 years without their presence.

The Rev. Karl Downs, as a young Methodist minister befriended Robinson when he was a teenager residing in Pasadena, California. He succeeded in getting him involved in the youth program of his congregation and the two men remained friends for life.

As we prepare for a new baseball season, let us remember the two Methodist laymen, a Methodist minister, and a very memorable Kentucky leader that took courageous stands to change an American institution unquestionably for the better.

General Conference 2019

The General Conference has spoken on the matters of same sex marriage and the ordination of homosexual persons. This is a summary to help make things clear:

- 1) ALL people are still welcome in any UM Church. Nothing new here.
- 2) The ban on clergy officiating same-sex marriages stands. Nothing new here.
- 3) The ban on “self-avowed practicing homosexuals” becoming clergy remains. Nothing new here except enhanced definitions of what counts as a self-avowed Practicing homosexual.
- 4) The process for how to handle situations where clergy have willfully disobeyed #2 has been detailed a little more with mandatory, enhanced penalties: one-year suspension without pay (1st offense), and termination (2nd offense).
- 5) Members of boards of ordained ministry will be asked to pledge that they abide by #3. It remains to be seen if that is constitutional, as such as been previously ruled unconstitutional.
- 6) The process for disaffiliating from the UMC for those churches that feel they can no longer support the above has been altered, clarified, standardized by the Taylor petition (#90086 via a minority report). It remains to be seen if this is constitutional.
- 7) The Judicial Council will rule in April whether actions approved at this General Conference violates our denominational constitution. If so, those things will not take effect. Nothing described in #2 and #3 violates the constitution so those will stand.
- 8) Our mission is the same. We are to love God and neighbor. We are to put our life in God’s hands. We are to be disciples of Jesus Christ who make more disciples of Jesus Christ who are equipped to transform lives, communities, and the world.

More details can be found in United Methodist News Service articles. I would encourage you to get your information from a reputable UM resource rather than hearsay or other organizations which often have an ax to grind in these matters .

All changes ruled constitutional would be effective January 1, 2020.

There are many United Methodist people pleased with these results and just as many folks, especially in the United States, who are deeply hurt and shaken by them. I trust none of us will talk about this in terms of winning or losing—this was not a fight nor a game, this was a spiritual discernment which proved more than anything else that we as a church are not of one mind on this yet. The vote was 53% to 47% among the spiritual leaders who gathered in St Louis—few churches would begin a building campaign or establish a program if a church was similarly divided. I pray that we will care for each other especially those folks who oppose your point of view. I hope we will take the time to check on people who were a part of the 47%. The world notices the church most when we love and care; our witness is most effective when the church transcends all the divisions we humans can invent and find a holy, healing harmony built not on opinion or perfection but on the Spirit making us One as Jesus and God are One (John 17). If you need to talk more about any of this please give me a call or talk with other folks you know, like Eddie Bromley or Sky McCracken who lived this General Conference deeply.

Our Story

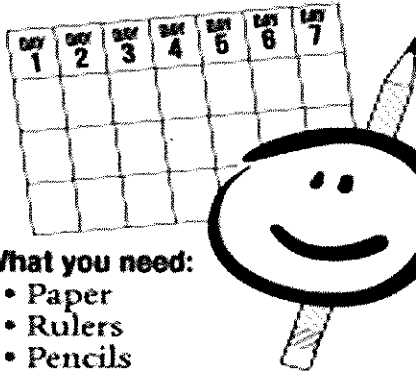

For several years God has called Jason and Kelly to serve overseas. At first, they thought it was in another country – but with much prayer and discernment, God has been crystal clear in His calling of them to stop making excuses and to serve now, in Guatemala. They feel God has specifically equipped them to serve the incredible people of Guatemala. Jason first served there in 2011 and they visited this past fall to meet with organizations on the ground to partner with, again it was made clear.

After attending Spanish school, they look forward to partnering with Ordinary Nurses who serve the village of El Rosario through a community health program that offers excellent medical care to severely malnourished infants, provides access to clean water, and fights for the future health of these infants by improving their unhealthy and unsanitary living conditions.

DAYS OF CREATION

Play this game to remember when God made each of his masterpieces.

What you need:

- Paper
- Rulers
- Pencils
- Markers or crayons
- Dice
- Bibles (open to Genesis 1:1-2:3 for reference)

What you do:

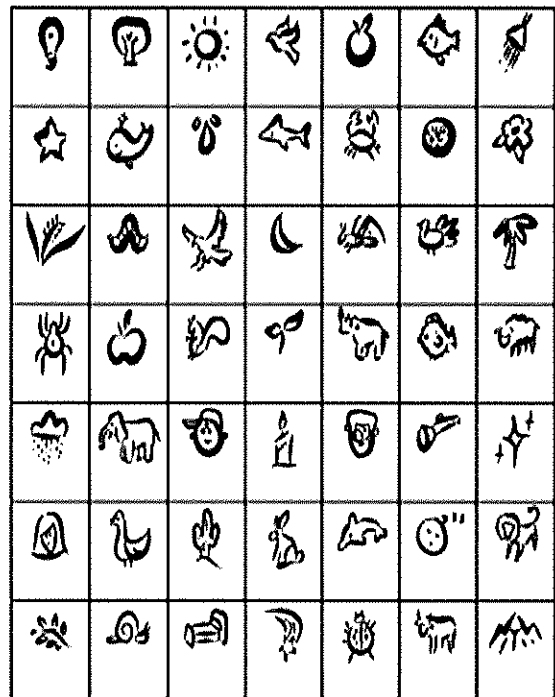

1. To make game boards, draw a grid with four rows and seven columns, totaling 28 squares.
2. Across the top row, write DAY 1 in the first square and continue through DAY 7.
3. Take turns rolling one die, or all players can roll at once. For the number rolled, draw something God created on that day (in the correct column).
4. When you fill an entire row, draw a smiley face in the DAY 7 square. The first player with two smileys wins.

Decode The days

At this time of year, God's creation "springs" to life.

Directions: After reading Genesis 1:1-2:3, write the correct Creation day number under each picture. Then add up each day's total and write it on the correct blank below.

Day 1 (light) ____ Day 2 (waters) ____ Day 3 (land and plants) ____ Day 4 (heavenly bodies) ____

Day 5 (birds and water animals) ____ Day 6 (land animals and people) ____ Day 7 (God rests) ____

Answers: Day 1 = 3, Day 2 = 3, Day 3 = 10, Day 4 = 6, Day 5 = 10, Day 6 = 15, Day 7 = 2
